Finding the New U-Drive Taunton Branch

From **Tuesday 4 December 2018**, U-Drive's Taunton Branch will be permanently relocated to the Courtlands Industrial Estate in Norton Fitzwarren. The journey between the two sites is approximately **6 minutes** in normal traffic conditions

Getting there - from U-Drive in Galmington...

Finding your way to our new branch is relatively straight forward:

Turn right out of U-Drive onto Cornishway South and follow the road to the roundabout with the A38.

Take the second exit and follow the A3065, Silk Mills Road, over the river and railway line before arriving at a second roundabout.

Take the first exit onto the A358, pass the Cross Keys pub on the right hand side, then enter the third roundabout.

Take the second exit, continuing on the A358 towards Pen Elm. A short way up the road, you will see the UK Storage Company's low clad buildings. This is the Courtlands Industrial Estate.

Turn left and follow the road into the Industrial estate. The new U-Drive Taunton Branch is located on the right hand side of the estate.

If you require any help or support finding our new premises. Please do not hesitate to give us a call.
